RE: Treasures of Your Times

Enclosed you can review TLC Greetings, Inc ***Treasures of Your Times*** program information. This program is a great way for families to have unforgettable memories of family treasures.

TLC Greetings takes photos of your treasures and inserts the image of your treasure on greeting cards, with the history of the treasure printed on the back of the card. We print personalized order forms for the family to send to family and friends to have lasting memories.

Families are saying;

“what I leave behind are my treasures for you”

Sincerely,
TLC Greetings, Inc

How the **Treasures of Your Times™** gets started!

1. TLC Greetings takes photos of the residents' memorable treasures.
2. All parties own their rights to their treasures on greeting cards.
3. Another option is a .jpeg image can be emailed to TLC Greetings for a greeting card to be produced.
4. The image is designed into a greeting card.
5. Inserted on the back of each card is the history of the treasure.
6. An order form is customized for each resident's treasures for handouts.
Example is enclosed
7. There are no start-up fees.
